

Two Bee Racing

KENT PARK SPRING CLASSIC

USCF permit
Pending

proudly backing
Miracles in Motion

WHO WE ARE: We are a small Iowa club with a dual purpose. The first is to bring grass roots racing fun with an interesting variety of formats to the area. The second objective is to raise money for a great small charity, Miracles in Motion outside of Swisher. All proceeds from our events are given to them in the name of local cycling, thus your entry fee is tax deductible. We do not claim to promote high glamour events with large crowds and major cash prizes. We do pride ourselves on well-run challenging events with donated beer and baked goods for prizes. We race to be racing, our events are friendly and challenging for the beginner to the seasoned vet.

WHAT IS IT IN FOR YOU: The format of this series of races is handicapped by category and at the end of the year; we will have some nice prizes given by raffle if you compete in over half the races. The great folks at Scheels Coralville make these prizes possible. If you win a series, TT, road race or gravel, you will have your picture on a plaque at Scheels for the following year for all to envy and admire. There will also be a combined point's champ.

All proceeds from our events are given to them in the name of local cycling, thus your entry fee is tax deductible. We do not claim to promote high glamour events with large crowds and major cash prizes. We do pride ourselves on well-run challenging events with donated beer and baked goods for prizes. We race to be racing, our events are friendly and challenging for the beginner to the seasoned vet.

WHAT IS IT IN FOR YOU: The format of this series of races is handicapped by category and at the end of the year; we will have some nice prizes given by raffle if you compete in over half the races. The great folks at Scheels Coralville make these prizes possible. If you win a series, TT, road race or gravel, you will have your picture on a plaque at Scheels for the following year for all to envy and admire. There will also be a combined point's champ.

Miracles in Motion

WHO WE ARE: We are a small Iowa club with a dual purpose. The first is to bring grass roots racing fun with an interesting variety of formats to the area. The second objective is to raise money for a great small charity, Miracles in Motion outside of Swisher. All proceeds from our events are given to them in the name of local cycling, thus your entry fee is tax deductible. We do not claim to promote high glamour events with large crowds and major cash prizes. We do pride ourselves on well-run challenging events with donated beer and baked goods for prizes.
