

ATLAS Cycling Presents **KENT PARK SPRING CLASSIC**

USAC event permit 2011-823

All proceeds raised go to the
Iowa Children's Center for Therapy

The Kent Park Classic is a closed course 6 lap circuit race. It's approximately 4 miles per lap for 24 miles total. Registration starts at 7:30 am and race starts at 8:30 am. All riders start together, and end on the same lap. Expect to be riding with 99 other riders, not all fast, not all slow, you are sure to find groups going your speed on the course. Lots of hills break this race wide open, it was my first race and is still one of my favorites. The atmosphere is friendly but not without competition, prizes are beer and baked goods.
